BOTD 1 This was a suspected burglary. Nothing was taken and nothing for CSI.

ASSAULTS 3 Enquiries on-going.

ASB 2 Both incidents have been dealt with accordingly.

Speed monitoring at the top of Ruthin Road over the weekend.

3. COUNTY BOROUGH COUNCILLOR'S REPORTS

Councillor Rogers told members that WCBC was under a new structure with new teams and managers in place. Also, they had dispensed with their long term contractor and were now procuring locally. Cllr Rogers said that Brymbo

Developments had not been actively marketing the site however progression was being made with the new school. An assessment had been made and as a result there was a demand for the new school. Many residents of the new estate were taking their children into Victoria School and as far as Gresford and as a result Brymbo School was not up to capacity. Tanyfron School was to remain open. Cllr Liberatosciol said that the AGM of Plas Brymbo residents had been well attended however she was disappointed that few Councillors had attended. Cllr Kelly had asked Councillor Tilston to read his report in his absence. With regards to the traffic calming in Bwlchgwyn the residents Assoc. and members of the CC would need to be in agreement with regards to the options available. Cllr Prince said that the original agreement was for the A525 which would begin at the school rather than a blanket 20m.p.h through the village. Cllr Shone said that it could possibly be extended however; as it was a major strategic route it could be difficult to extend it. Cllr Prince said that the consultation was for signs during school hours. Cllr Mathews said that if the 20 m.ph. was implemented this would therefore set a precedence for other villages. Cllr Tilston said he would report this back to Cllr Kelly. Cllr Kelly said that with regards to the Community Centre he had spoken to Cllr Hugh Jones who had referred this to the Legal Dept.

4. ROADS

Cllr Rogers said that the surface on Railway Road had lifted as a result of heavy rain and this was being addressed. Cllr Ashworth requested for an update on the new signage and asked if this matter could be kept on the Agenda for monitoring. Cllr Rogers said that the Spine Road was finally being in the process of being adopted. Funding was available for traffic calming signs on Old Road in Bwlchgwyn and 40m.p.h at the new traffic lights was work in progress.

5. BUS SHELTER SERVICES AND STOPS

Cllr Griffiths said that the Arriva bus routes had changed without notice. He had telephoned Arriva who apologised and rectified the situation.

6. PLAYING FIELDS AND PLAYGROUNDS

Cllr Rogers said that there were many issues that needed to be dealt with on Bronwens Green. He requested a sub-committee meeting to discuss works that needed to be carried out such as putting down hard core on the car park, the state of the changing rooms, fly-tipping and general maintenance around the site. The Clerk said that she had received an e-mail from a resident who was thinking of setting up a new football team in Tanyfron and Brymbo and had asked about the cost of the pitch. The sub-committee said that this would also be discussed at their meeting. Cllr Mathews told members that Brymbo Lodge who played on the Green had come second in their league and asked the Clerk if she would write to congratulate them.

7. FOOTPATHS/LIGHTING

No further information.

8. WAR MEMORIAL

Cllr Tilston said that Cllr Kelly had met with officers from WCBC and they had suggested laying large bags of gravel at the site as this would be safer and more cost effective to maintain. Cllr Tilston said he would get an estimate and report back to Council.

9. PLANNING

OUTLINE APPLICATION TO ERECT 2 NO. DETACHED DWELLINGS TOGETHER WITH VEHICULAR ACCESS
FOUR WINDS CAR PARK HEOL OFFA VRON TANYFRON

LAND SOUTH OF GLYN HEULOG GREEN ROAD BRYMBO
P/2016/0316-Observations made.

10. BWLCHGWYN VACANY

The Clerk gave copies of the vacancy notices to representatives of the 3 villages to be placed for 14 days in the noticeboards.

11. INTERNAL AUDIT REPORT

As a result of the late arrival of the Annual Return it was not available to accept as it had not yet been returned to the Clerk by the Internal Auditor. In the Annual Internal Report JDH Business services had noted the following.

The bank reconciliation provided for audit did not show the correct bank balance for bank account number *****18. The Clerk had noted this and corrected it.

The minutes stated that the Clerk did not have a contract of employment. The Auditor had told the Clerk that the model contract of the SLCC was widely used by other Community councils. The Clerk had provided a copy of this to Council and was awaiting further discussions.

The asset register currently included assets at insurance value which meant that the asset valuation changed each year when the insurance valuation changed. The previous external auditors accepted this as a valuation method however this may be an area that would be raised by the new external auditor. The Clerk would from now on value assets at purchase price or an insurance proxy that would not change over time. All recommendations for the previous financial year had been complied with.

12. CORRESPONDENCE
