#### GOOD NEWS STORIES

Regular Hi-vis foot and vehicle patrol conducted in Brymbo and Tanyfron due to this we have been able to lower the amount of ASB in the area.

Spoke with Tony Birch and Councillor Rogers and discussed local issues.

I have also dealt with calls via my phone and emails which are not logged on our systems over the last month.

Stats had been provided by the PCSO for Bwlchgwyn however they were in a new format which Councillors said were of no value to local crime in the area. Comments would be provided to the Inspector.

The Chairman thanked PCSO Jones for attending and Cllr Birch thanked him for also attending local meetings.

### 3. COUNTY BOROUGH COUNCILLOR'S REPORTS

CBC Kelly said that the speeding issues at the Moors were still on-going and Go safe were investigating. Most of the interactive signs in Bwlchgwyn were up and running. Flooding had been an issue in Bwlchgwyn and the issue had been reported to Welsh Water. Cllr Rogers told members that the Youth Project was up and running in the 3 communities and seemed to be going well. He thanked the 3 youth representatives (Cllr Prince, Cllr Bassford-Barton and Cllr Davies) who had been working hard to help get the scheme up and running. When the SLA had been signed the CC had agreed to provide £16000 for staffing. Cllr Rogers asked whether he could have an agreement from members to divide the remaining funds (approx. 2k) to ensure that the cost of room hire would be met. He also asked whether the Youth Workers could have a branded jacket with a BCC and WCBC logo to ensure parents and children were aware who the staff was. The cost of the jackets would be £269.95.

Cllr Birch proposed that BCC fund the cost of the jackets and this was seconded by Cllr Rawlinson. All were in favour. Cllr Shone asked whether a structured programme

was being delivered and Cllr Rogers said it was. He also asked if a report was going to be made on the progress of the scheme. Cllr Rogers said a report had already been sent to him and he would forward it to Cllrs. Cllr Ashworth proposed that the remaining funds in the budget go towards the cost of room hire to ensure a facility was available. This was seconded by Cllr Prince. All were in favour.

#### **4. ROADS**

#### **10. BRONWENS GREEN**

Cllr Mathews had provided a quote from Sherratt for £345.00 & VAT to cut the pitch. (One-off) He proposed that this be carried out immediately. This was seconded by Cllr Shone. All were in favour. Cllr Rogers said that the sub-committee had met and a decision had been taken that a barrier was needed for the gate and storage was a cause for concern. He asked if the sub-committee could meet and a decision would be made as the sub-committee had been granted delegated powers. The boundary hedge needed to be maintained and this would also be discussed by the sub-committee.

## 11. QUARTERLY ACCOUNTS

The Clerk had prepared a detailed account of the last quarter. All income and expenditure was listed. The Clerk gave all members a copy of the accounts. The Chairman and RFO signed the bank reconciliation.

## 12. DONATIONS

One donation application had been received from Bwlchgwyn cabin crew. They requested funding of £5873.22 for the installation of sheltered areas. As the donations budget was £3000.00 annually, this funding would need to be made from Bwlchgwyn Env. Fund which had expenditure totalling £2283.00 up to the half year. The Clerk reminded members that further 6 months playground maintenance would be due before the end of the financial year. Members agreed that the donation request was high and that this was a limited company and a registered charity. Cllr Steele raised concerns that this large amount would only benefit a small percentage of residents and needed to be looked at further. The 3 CC's for Bwlchgwyn agreed to discuss this further and would bring this back to the next meeting.

## 13. SAFETY SURFACE AT KING GEORGE PLAY AREA

The Clerk had circulated copies of the item that had been classed as medium risk by WCBC to all members prior to the meeting. Members said that the surface tiles in question were a pre-existing risk rather than a maintenance risk as the tiled area needed to be extended. As the CC had only taken over the maintenance in the last 2 years members agreed that this should have been flagged by WCBC if the area did not comply with safety standards. The CC had agreed to maintain the play areas on an annual basis and not upgrade facilities that had pre-existing faults. The Clerk would write to Carla Hughes and advise her of the decision.
