There was one incident of ASB Nuisance; this was in relation to kids playing on some land.

Crime Issues / Trends

There have been four burglaries this month, two were unoccupied properties and the other two were outbuildings, the latter two are believed to be linked. Just reminders to make sure properties are secured even when at home. Especially in this hot weather is tempting to leave windows open when leaving the house, where possible ensure windows are closed and doors are locked, the same goes for vehicles.

Other News/PCSO activities:

Please use 101 and report issues, these can then be investigated.
