10. BVH

The Clerk read out an e-mail from Bwlchgwyn residents Assoc. It referred to BCC holding too much money which needed spending. BRA were insisting that BCC get Fields in trust to give permission in writing for the MUGA to be built on the land given the ongoing issues around ownership. The Clerk told members that she had written back to Rhian Marsh explaining that BCC did not hold too much money and that finances had been set aside on a yearly basis to pay for a project in Bwlchgwyn. She explained that BCC were discussing projects over the next few months and consultations would be made with residents of Bwlchgwyn and not just BRA as BCC represented the whole of the village not one group. The Clerk gave copies of the MUGA tenders from Tanyfron to Councillor Bassford-Barton as a guide for the project. Members agreed to put the item on the Agenda for the next meeting. She also explained that the project that would be identified would be managed completely by BCC. The Clerk told members that she had received copies of documentation from WCBC regarding licenses held and copies of agreements. She had forwarded them all to the solicitors who had confirmed receipt of them.

11. QUARTERLY ACCOUNTS

The Clerk circulated copies of all income and expenditure for the last quarter. The Chairman and Clerk signed the bank reconciliation.

12. DONATIONS

A request had been made by Bwlchgwyn Residents Assoc. for BCC to help towards the funding of a traffic survey and report commissioned to aid against the appeal for the building of a traveller site on land in Bwlchgwyn. The organisation had been informed that BCC had made a donation to help towards the cost of a barrister in a similar situation in Brymbo. Members said that the circumstances were different as BRA were requesting funds to pay towards the costs of residents appealing against a planning application. In Brymbo' case the funding was for a barrister who would be representing residents on objections to the Deposit Wrexham Local Development Plan.

A donation request had also been made from BRAG (Brymbo Residents Action Group). They were requesting a contribution towards the cost of carrying out surveys of the site to present to the planning inspector. Cllr Prince proposed and Cllr Ashworth seconded that members suspend any decision on both of these applications until both CBC's were present and would be able to make recommendations. A vote was taken. All were in favour. Both applications would be placed on the Agenda for the September meeting.

A donation request had been made by Bwlchgwyn playgroup for £750.00 to purchase a play frame. However as they had no bank account she had told them that it could not be considered. The organisation had contacted her to say they were

in the process of opening one and the donation request could be considered in October.

Brymbo Autumn Show had requested a donation towards the running costs of their show which was in September. This was a non-profit based event and run entirely for residents to show their horticulture and crafts. Cllr Prince proposed and Cllr White seconded that £500.00 be donated to the organisation. A vote was taken. All were in favour.

13. TANYFRON VACANCY

The Clerk advised members that she had received the resignation of Cllr Stella Morris after writing to her regarding her absences. She had advised Electoral in WCBC. The notice for the vacancy would be placed in the Vron ward upon Cllr Griffith's return from holiday on the 16/07/2019.
